eLearning08

celebrating e-learning innovation

eLearning08 is a celebration and showcase of technology enhanced education and training practices in New South Wales (NSW).

Come and join colleagues from across the vocational education and training sector to explore the ways new and emerging technologies can support learners and improve the delivery of training.

The *eLearning08* program includes:

- Keynote speaker Mark Pesce, researcher, teacher and futurist.
- Launch of the inaugural Horizon.au report by Larry Johnson, Alan Levine and Rachel Smith from New Media Consortium.
- An interactive enterprise panel led by Kate Carruthers.
- Presentations from 38 E-learning Innovations Projects from across NSW.
- Hands-on workshops and informative displays.
- Plenary session with Stephen Collins from acidlabs.org
