

## ONLINE SESSIONS FOR TEACHERS AND STAFF

**TAFE Connects** is a series of online elearning capability sessions for all TAFE NSW teachers and staff.

Weekly live sessions feature experienced presenters teaming up to introduce ideas, examples and resources to support elearning and workforce development in TAFE NSW.

Each session runs for less than an hour, and you can attend from your own computer using Adobe Connect web conferencing.

### How do I take part in the live sessions?

At the times listed, point your web browser at the online meeting room address below. You don't need any experience using Adobe Connect, just a good internet connection on your computer and some headphones or speakers to listen.

**Previous sessions** are available on the TAFE eCommunities website (use your DEC login):
