4 June**

Planning online  
courses

**#4: Thursday  
11 June**

Apps for teaching  
and learning

TAFE Connects is a series of weekly online sessions for TAFE NSW teachers and staff.

Connect live across TAFE NSW; enhance your understanding of the VET environment; build your capability with online tools; and hear how teachers are implementing eLearning in practice.

In these sessions you will be introduced to new ideas, resources and people. You can listen in live from any computer.

## Get connected

For more information, previous recordings and lively forum discussions, go to TAFE Connects at eCommunities:
